FAQs

Phew... that's a lotta talking! You must have some questions for us. Pastor Tim and your Campus team are happy to chat & answer any questions you may have about:

Our Name

Let's be honest: When people hear our name *Liquid* they sometimes think we're a cult or drinking fraternity. But we named our church *Liquid* for a simple reason: In John 7:37-38, Jesus calls himself the "Living Water"... and we believe church should be refreshing!

We intentionally take a creative, fluid approach to ministry-- and have a vision to saturate our state with the Gospel of Christ!

Denomination

Liquid is a non-denominational, Christian church. We are unapologetically Christ-centered & Bible-based.

Our Beliefs

Although our church has a young & modern atmosphere, we are committed to a core set of orthodox beliefs that reflect the historic commitments of the Christian Church through the ages.

Leadership Structure

Liquid is Staff-led. We believe it is the role of pastors & leaders (elders) to equip people to use their talents to do ministry & serve others! (Ephesians 4:11-12).

Core Values

At Liquid, we have 3 Core Values:

- Grace Wins
- Truth is Relevant
- Church is Fun

You'll see these slogans on our T-shirts and can learn more in the series "Secret Sauce!"

Baptism

Baptism is one of our key measures of faith in Christ & life change at Liquid! We believe Jesus taught, modeled, and commanded water baptism of His followers.

We have baptized over 1,000 people at Liquid since our start... and would be happy to help you take this important step of faith when you're ready!

Communion

We celebrate Communion (also called The Lord's Supper or Eucharist) once a month or once every sermon series (typically every 4 weeks).

Thanks so much for investing time to take your "First Step with Tim" today! We hope it was helpful & gave you a better picture of who we are as a church. As a next step, we'd love to give you a "Backstage Tour" at your campus.
